

# **\*NOTICE OF RATE INCREASE\***

We would like to inform you that as of January 1<sup>st</sup> 2024 we have increased our rates across the board. For the past 3 years we have tried not to increase our clinic rates, but in order to provide quality patient care and service, we had to increase our cost for services. We would like to take this opportunity to thank you so much for entrusting us with your mental health needs!
